

Hello BVC ARMA Members and Friends,

We are fortunate to have the opportunity again this year to orchestrate and perform the President's Day flag raising along the Avenue of Flags at the local Boise VA Medical Center (VAMC) grounds. Our chapter will be in charge of both raising and taking down dozens of flags along the avenue.

On President's Day (Monday, February 17) we plan to gather just before 7 a.m. at VAMC for the flag raising, and then at 4:30 p.m. to take the flags down. I am looking for volunteers who can assist at either or both times on Monday and welcome any family or friends that would like to join in. ***For all you early riser volunteers, we will have coffee and donuts! Also, hot chocolate in the afternoon should any kiddos decide to join!***

This event is truly an honor and long-time cherished tradition for our chapter. It is also a great opportunity to get involved in the community and gather outside of our regular meetings. Finally, and most importantly, this is a chance to show support for veterans and the Boise VA Medical Center which currently serves an estimated veteran population of 100,000 throughout southern Idaho.

Please let me know if you plan to participate and I will provide additional details on where to meet, etc.

I hope to see many of you there!

Kind Regards,

JENNIFER CHADBAND, CRM, IGP, ECM^P
